

AJAY ARAVINDAN

Audio Post-Production & Sound Design | Digital Cinema & Broadcast Delivery

Liverpool, United Kingdom | +44 7471 238236 | ajxarx@gmail.com | linkedin.com/in/ajxarx | Graduate Visa — Right to Work in UK | Willing to Relocate Within the UK

PERSONAL STATEMENT

A motivated and ambitious Sound Technology graduate from the Liverpool Institute for Performing Arts (LIPA), specialising in audio post-production, Dolby Atmos mixing, and broadcast-compliant delivery. Complemented by a BSc in Business Administration Management from Rochester Institute of Technology, Dubai, bringing a cross-disciplinary perspective that combines creative technical excellence with professional communication and project management. Seeking an entry-level role as a runner, junior, assistant or associate in digital cinema mastering, QC, content services, or audio post-production — particularly within the UK Film and TV industry — with a strong commitment to learning and growing from experienced mentors and colleagues.

PORTFOLIO PROJECTS

Escape — Animated Short Film

Sound Designer & Re-Recording Mixer · LIPA

Tools & Standards: Pro Tools · Dolby Atmos 7.1.2 · EBU R128 · AS-11 DPP (HD) · EBU R123 (16ch) · 5.1 · LtRt Fold-Down

- Mixed a short animated film in Dolby Atmos, delivering a full spatial audio experience to professional broadcast standards.
- Re-rendered the Atmos mix to 5.1 and LtRt (LoRo) fold-down formats, ensuring compatibility across all distribution platforms.
- Achieved EBU R128 loudness target and exported final stems to AS-11 DPP (HD) format, conforming to EBU R123 (16ch) track order — meeting full broadcast delivery requirements.

Flow — Animated Feature Film

Sound Designer & Re-Recording Mixer · LIPA

Tools & Standards: Pro Tools · Dolby Atmos 7.1.2 · 5.1 Surround · Foley · ADR · Music Integration

- Delivered complete sound design, Foley recording and editing, and original music integration for the full-length animated feature Flow.
- Mixed the film to 7.1.2 Dolby Atmos, creating an immersive spatial audio experience.
- Folded down to a 5.1 surround version, demonstrating versatility across immersive and standard delivery formats.

Superman Comic Book Audio Experience

Sound Designer & Mixer · LIPA

Tools & Standards: Pro Tools · 5.1 Surround · Stereo Fold-Down · ADR · SFX · Foley · Music Design

- Conceived and produced a fully synchronised audio experience designed to accompany a Superman comic book, allowing readers to listen along page-by-page.
- Delivered complete sound design covering Music, ADR, Foley, and SFX, creating an immersive audio narrative matching the visual pacing and tone of the comic.
- Mixed to 5.1 surround with a fold-down stereo version, demonstrating versatility in both immersive and standard audio delivery formats.

PROFESSIONAL EXPERIENCE

Sound Technician (Freelance Full-Time)

October 2021 – September 2023

Ajay Freelancer Events Management · Abu Dhabi, UAE

- Engineered audio systems ensuring production requirements were met to a professional standard, demonstrating attention to detail and high standards.
- Worked directly with clients throughout pre-production and setup phases to develop personalised sound mixes, determine technical requirements, and establish project design briefs.
- Assisted and shadowed sound supervisor on multiple productions and shows, supporting with radio mic deployment and monitoring.
- Achieved audio integrity throughout productions for multiple client organisations, leading to referrals from employers to new clients.
- Developed strong working knowledge of live PA systems, including system design, signal routing, and troubleshooting.
- Implemented system designs for small-scale corporate events, demonstrating ability to execute, apply learned skills, and lead projects.

Project Management Consultant (Full-Time)

November 2021 – February 2022

Digital Qatalyst · Dubai, UAE

- Assessed operational challenges across client organisations and delivered tailored solutions aimed at improving organisational development.
- Prepared and presented reports and recommendations to clients, drawing on data analysis using Microsoft Excel and Power BI.
- Served as primary point of contact for a portfolio of clients, providing timely and professional responses to enquiries.

Retail Staff (Part-Time)

2024 – Present

Liverpool FC Stadium & Everton FC Stadium · Liverpool, UK
