## PROFESSIONAL PROFILE

A Sound Technology graduate with a dual background in audio production and business management, seeking to establish a career as a sound designer or a post-production supervisor for the film and television industry. Fresh experience across audio post-production, live sound, and location recording, with a strong foundation in industry-standard tools and workflows through studies. Highly passionate, adaptable, and experienced working both independently and as part of production teams in the UAE and the United Kingdom.

## SKILLS

- **Post-Production & Sound Design:** Sound Design for picture, Foley recording and editing, ADR, Dolby Atmos Mixing and Mastering, Mixing (7.1.2, 5.1, Stereo), LtRt (LoRo) fold-down, Re-Recording Mixer, Audio Conforming.
- **Broadcasting Delivery:** EBU R128 loudness target, AS-11 DPP, Knowledge of DCI Standards
- **Location & Production Sound:** Location Recording, Boom Operating, Radio Mic Fitting and Monitoring, Production Sound Assistant.
- **Software & Technology:** Pro Tools, Ableton Live, Adobe Premiere, Avid S6 Console, Microsoft Suite.
- **Business & Management:** Project Management, Client Communication, Sales Analysis, Process Improvement, Team Leadership.

## PORTFOLIO PROJECTS

### **Escape (Animated Short), Sound Designer & Mixer, LIPA**

- Mixed a short-animated film in Dolby Atmos, delivering a full spatial audio experience to professional broadcast standards.
- Re-rendered the Atmos mix to 5.1 and LtRt (LoRo) fold-down formats, ensuring compatibility across all distribution platforms.
- Achieved EBU R128 loudness target, then exported the final loudness-corrected stems to AS-11 DPP (HD) format with audio conforming to EBU R123 (16c) track order — meeting full broadcast delivery requirements.

### **Flow (Animated Feature), Sound Designer & Re-recording Mixer, LIPA**

- Delivered complete sound design, Foley recording and editing, and original music integration for the full-length animated feature Flow.
- Mixed the film to 7.1.2 Dolby Atmos, creating an immersive spatial audio experience and folded down to a 5.1 surround version.

### **Superman Comic Book Audio Experience, Sound Designer & Mixer, LIPA**

- Conceived and produced a fully synchronised audio experience designed to accompany a Superman comic book, allowing readers to listen along page-by-page as they read.
- Delivered complete sound design covering Music, ADR, Foley, and SFX, creating an immersive audio narrative that matched the visual pacing and tone of the comic.
- Mixed the final experience to 5.1 surround with a fold-down stereo version, demonstrating versatility in both immersive and standard audio delivery formats.

## **WORK EXPERIENCE**

### **Freelance Audio Technician**

**Ajay Freelancer F Events Management, Abu Dhabi, UAE**

*October 2021 – September 2023*

- Engineered audio systems for 20+ small-to-medium scale corporate events, ensuring production requirements were met to a professional standard.
- Worked directly with clients throughout pre-production and setup phases to develop personalised sound mixes, determine technical requirements, and establish project design briefs.
- Assisted and shadowed sound supervisor on multiple productions and shows, supporting with radio mic deployment, system designing, and monitoring.
- Installed, operated, and maintained sound equipment across multiple client organisations, maintaining audio integrity throughout productions.
- Developed strong working knowledge of live PA systems, including system design, signal routing, and troubleshooting.

### **Project Management Consultant**

**Digital Qatalyst, Dubai, UAE**

*November 2021 – February 2022*

- Assessed operational challenges across client organisations and delivered tailored solutions aimed at improving organisational development.
- Prepared and presented reports and recommendations to clients, drawing on data analysis, organisations blueprint using Microsoft Excel and Power BI.
- Served as the primary point of contact for a portfolio of clients, providing timely and professional responses to enquiries.

### **Bar Team Leader / Till Operator (Casual)**

**Liverpool FC Stadium, Liverpool, UK**

*May 2024 – Current*

- Lead a team of bar staff during matchdays and events, coordinating workflow to hit sales targets and maintain customer service standards.
- Manage stock, visual merchandising, and processing of new deliveries, liaising with floor supervisors and management.
- Conduct regular health and safety checks to ensure compliance with venue standards and licensing requirements.

## **EDUCATION**
