Business & Management

Project Management, Client Communication, Operational Analysis, Process Improvement, Strategic Management, Sales Analysis, Team Leadership

PORTFOLIO PROJECTS

Visit My Website: <https://ajay-app-portfolio.onrender.com>

Escape (Animated Short), Sound Designer & Mixer, LIPA

- Mixed a short-animated film in Dolby Atmos, delivering a full spatial audio experience to professional broadcast standards.
- Re-rendered the Atmos mix to 5.1 and LtRt (LoRo) fold-down formats, ensuring compatibility across all distribution platforms.
- Achieved EBU R128 loudness target, then exported the final loudness-corrected stems to AS-11 DPP (HD) format with audio conforming to EBU R123 (16c) track order - meeting full broadcast delivery requirements.

Flow (Animated Feature), Sound Designer & Re-recording Mixer, LIPA

- Delivered complete sound design, Foley recording and editing, and original music integration for the full-length animated feature Flow.
- Mixed the film to 7.1.2 Dolby Atmos, creating an immersive spatial audio experience and folded down to a 5.1 surround version.

Superman Comic Book Audio Experience, Sound Designer & Mixer, LIPA

- Devised and produced a fully synchronised audio experience designed to accompany a Superman comic book, allowing readers to listen along page-by-page as they read.

- Delivered complete sound design covering Music, ADR, Foley, and SFX, creating an immersive audio narrative that matched the visual pacing and tone of the comic.
- Mixed the final experience to 5.1 surround with a fold-down stereo version, demonstrating versatility in both immersive and standard audio delivery formats.

PROFESSIONAL EXPERIENCE

Visit My LinkedIn: <https://www.linkedin.com/in/ajxarx>

Ajay Freelancer Events Management, Abu Dhabi, UAE: (October 2021 – September 2023)

Role: Sound Technician (Full-Time)

- Engineered systems and mixers ensuring production requirements were met to a professional standard showing skills to provide attention to detail and high standards.
- Worked directly with clients throughout pre-production and setup phases to develop personalised sound mixes, determine technical requirements, and verify briefs through communication and coordination.
- Assisted and shadowed sound supervisor on multiple productions and shows, supporting with radio mic deployment and monitoring proving willingness to learn.
- Developed skills to achieve audio integrity throughout productions for multiple client organizations which helped me get recommended by employers to clients.
- Developed strong working knowledge of live PA systems, including system design, signal routing, and troubleshooting through self-initiated learning and organisation.

Digital Qatalyst, Dubai, UAE: (November 2021 – February 2022)

Role: Project Management Consultant (Full-Time)

- Assessed operational challenges across client organisations and delivered tailored solutions aimed at improving organisational development.
- Prepared and presented reports and recommendations to clients, drawing on data analysis and organisations blueprint using Microsoft Excel and Power BI.
- Served as the primary point of contact for clients, providing timely and professional responses to enquiries.

Liverpool FC Stadium and Everton FC Stadium, Liverpool, UK: (April 2024 – Present)

Role: Retail Staff (Part-Time)

EDUCATION

Bachelor of Arts (Hons) in Sound Technology: (Graduated July 2026)

Liverpool Institute for Performing Arts, Liverpool, United Kingdom

- Developed hands on practical skills in Audio Post-Production.
- Intermediate knowledge in Video Production using DaVinci Resolve and Adobe Premiere Pro, implementing techniques of lighting, cinematography, editing and direction for the course submission with team effort.

Bachelor of Science in Business Administration Management: (Graduated June 2020)

Rochester Institute of Technology, Dubai, United Arab Emirates

- Expanded education on the areas of Operational Analysis, Project and Strategic Management, Organizational Effectiveness, Communication, and Ad-Hoc Management.
- Implemented learning by interning for roles such as buying and operations – where I demonstrated my skills on analytics, data reporting, marketing and ad-hoc abilities and briefly working on a full-time role as a project management consultant demonstrating my skills on communication, process improvement-implementation and advising.
